ABOUT THE AWARDS GALA

The Treaty One Awards Gala is an annual celebration honouring individuals from across the Treaty One Nations whose leadership and achievements have made a lasting impact in our communities. Each year, the Gala brings together business and community leaders, artists, youth, Knowledge Keepers, and partners to recognize excellence and reflect on the progress and vision shaping our future.

The Gala has become a signature gathering on our calendar, a space where Nation-building, culture, and innovation meet. Through recognition and celebration, the Awards highlight the remarkable accomplishments taking place every day within Treaty One Territory and the promise of what is still ahead.

The 2026 Gala will feature:

Awards Presentation

Recognizing excellence across diverse fields and honouring individuals whose achievements uplift our communities and advance our shared goals.

Musical Performances

Featuring performers whose music adds dimension to our celebration and reflects the spirit of innovation and community within Treaty One Territory.

Special Guests & Speakers

Bringing forward voices and perspectives that inspire leadership and encourage future generations.

Networking & Community Connection

Connecting sponsors, partners, and community members who share a commitment to reconciliation, economic empowerment, and Nationhood.

Bursaries, Scholarships & Future Pathways

Beyond celebration, the Treaty One Awards Gala serves as a catalyst for investing in the next generation of Treaty One leaders. Funds raised through sponsorships, ticket sales, and community support contribute to the Treaty One Awards, Bursaries, and Scholarship Program, which supports Treaty One members pursuing post-secondary education. Through needs-based bursaries and scholarships, the program helps reduce financial barriers, supports both tuition and living expenses, and opens pathways into academic, technical, and professional fields. By pairing recognition with reinvestment, the Gala ensures that the success we honour today helps create meaningful opportunities for tomorrow.

ABOUT TREATY ONE NATIONS

Treaty One Nations is composed of the seven First Nations who are signatories to the first of the 11 numbered Treaties, originally signed on August 3, 1871, at Lower Fort Garry after several days of discussions and ceremonies.

In a 19-year process of coming together as a unified governing body, the seven Treaty No. 1 First Nations have cultivated a political relationship rooted in Nationhood and a solid foundation for collective governance, significant opportunities for long-term investment, and economic development.

Responsible for the governance and oversight of the development of the jointly held Treaty One Lands, Treaty One Nations is guided by the Governing Council that is comprised of the seven Chiefs of the Treaty No. 1 First Nations.
